

Make security everyone's business

SH59 Shredder

Protect your business with powerful shredding technology for the office

The protection of sensitive information begins with the employees who handle it every day. Make it easy for them to properly dispose of confidential records with the new SH59 multi-function shredder from Pitney Bowes. Designed for the small and mid-size office, this powerful workhorse delivers the quality, versatility and durability you won't find in the shredders sold by the office superstores. With its compact design and quiet operation, the SH59 will fit seamlessly into your office workflow.

Medium shredding duty

The SH59 shredder is loaded with features and incredibly versatile, with hands-free operation that makes it safe and easy to use. There's no need to remove staples or paper clips before shredding paper documents – and it handles paper and digital media like CDs, DVDs, floppy disks and credit cards with equal ease. Convenient on-site service means you don't have to worry about down time. So get the peace of mind that comes with the secure destruction of confidential information.
