

# Connected Services

Pitney Bowes Mail Services

**Trust Pitney Bowes Mail Services to move your mail, publications, and parcels across the country and around the world with confidence, competence, and efficiency.**

## **We know business. We really know your business.**

We are a valued and integral service provider for the world's most successful businesses; we work with you to obtain significant volume discounts to many locations around the world. Our operational expertise, coupled with state-of-the-art, best-in-class technology, comprehensive national network, and complex routing matrices, has saved our clients millions of dollars while improving their efficiency.

# Trust us. We've got you covered.

Our industry leading, technology driven solutions, help the world's most successful companies dramatically increase profit, productivity, and customer service. Our consultative approach helps you optimize, expedite, and integrate key processes that support business correspondence.

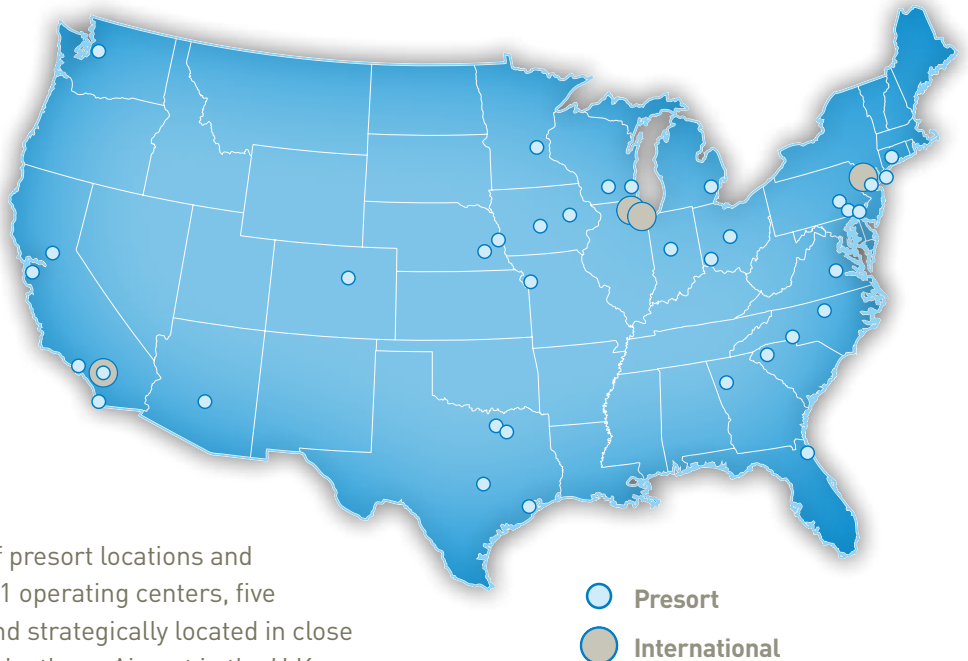

## WE'VE GOT YOU COVERED.

Both nationally and internationally, we've got a full range of facilities at your disposal.

The bridge to the rest of the world:  
Hayes, West London.

Pitney Bowes has the only national network of presort locations and international mail processing facilities. With 41 operating centers, five of which are dedicated to international mail and strategically located in close proximity to major airports in the U.S. and by Heathrow Airport in the U.K., we provide state-of-the-art automation. We sort your mail, quickly, accurately, and securely—helping you connect with your customers and prospects for less.
