With Pitney Bowes Mail Services | Ecommerce and global parcel distribution

Finding the right international solution for your business is closer than you think.

A World of opportunity.

With our cutting-edge Ecommerce and global parcel distribution solutions, our vast experience in international business, and our broad portfolio of delivery options, you can be confident that we will help you meet your objectives, budget and delivery requirements and get your parcels to their final overseas destination.

Backed by extensive postal resources throughout the world, we ship dutiable and non-dutiable parcels to over 200 countries, principalities, and territories, worldwide. We remove the complexities of international logistics navigating local laws, regulations, multiple postal administrations, custom duties, and taxes on your behalf, so you don't have to.

Our solutions work for you.

INNOVATIVE SUITE OF WEB SERVICES

- Advanced technology designed to address customer needs for international and national ecommerce transactions
- Sophisticated logistics infrastructure that improves the global ecommerce experience for both buyers and sellers

COST TRANSPARENCY

Using our leading-edge technology, PB ClearPath™ Global Solution, the price shoppers see is the price they pay. Tax and duty fees are calculated and displayed at checkout - no hidden fees.

COMPLIANCE

- We manage your export compliance and regulations including export license control;
- Import and export restriction management.

CONFIDENCE

- Track shipments from the dock to the customer's front door;
- Benefit from our global returns process;
- Get cost effective insurance;
- Address validation for 200+ countries.

CUSTOMS CLEARANCE. NO PROBLEM.

Customers won't be happy paying unanticipated duty and tax charges at their doorstep. We can develop a fully landed cost price with you prior to delivery. Our parcel specialists will help you determine the best and most cost effective solution and, if required, calculate duties, and taxes.

Ship parcels quickly and easily.

From full delivery duty paid expedited solutions, the fastest of our services, to direct entry for a local look and feel, to standard shipping for maximum cost savings; we guarantee to achieve flexibility and agility in cost and delivery time that works for you and your customers.

Direct Entry.

With our Direct Entry solution, you can communicate with your customers in the United Kingdom in a style that looks and feels culturally familiar to them. By working with local postal authorities, such as the United Kingdom's Royal Mail, and other postal agencies, we make your mail, parcels, and marketing materials look as though they were produced within that country. You get the full benefit of local postmarks!
