RECOMMENDED RESTAURANTS

SALTROCK GRILL

19325 Gulf Blvd Indian Shores, FL (727) 593-7625, www.saltrockgrill.com

The restaurant's name comes from salt rock, a native material found among Florida's freshwater springs and used liberally in the restaurant's cream-colored decor. The pretty marble-like rock, polished to a mirror finish, is accented by deep mahogany woodwork and furnishings. Imposing nearly floor-to-ceiling windows create an elegant backdrop. From the mobbed parking lot and jammed tables, one might conclude that beachgoers have been sorely deprived of a restaurant that revels in formality
