In the event of a partial payment, you will be responsible for the unpaid balance.

P1.4 Deferred Payment Terms. (a) By using the Program, you agree that whenever there is an unpaid balance outstanding on the Account which is not paid in full by the due date shown on your billing statement, the Bank will charge you, and you will pay, interest on the unpaid balance of the Account from time to time, for each day from the date the transaction is posted to the Account until the date the unpaid balance is paid in full, at a variable rate equal to the Annual Percentage Rate applicable to the Account from time to time. (b) (i) The Annual Percentage Rate applicable to the Account will be: the greater of (a) 22% and (b) the sum of the highest "Prime Rate" published in the "Money Rates" section of *The Wall Street Journal* on the last business day of the month and the margin set forth below (the sum of the margin and the Prime Rate is herein called the "Floating Rate"). (ii) The Annual Percentage Rate will be adjusted on a monthly basis based on any fluctuation in the Floating Rate, if applicable. (iii) Any change in the Annual Percentage Rate based on the calculation described in this section will become effective on the first day of your next billing cycle. (iv) The margin which will be added to the Prime Rate to determine the Floating Rate will be 14.75% (using the Prime Rate in effect as of March 31, 2010, the daily periodic rate

would be .049315% and the corresponding annual percentage rate would be 18.00%). (v) The Account balance that is subject to a finance charge each day will include (a) outstanding balances, minus any payments and credits received by the Bank on the Account that day, and (b) unpaid interest, fees, and other charges on the Account. (vi) The Bank will charge a minimum finance charge of \$1.00 in any billing cycle if the finance charge as calculated above is less than \$1.00. (vii) Each payment that you make will be applied to reduce the outstanding balance of the Account and replenish your available credit line. (viii) The Bank may refuse to extend further credit if the amount of a requested charge plus your existing balance exceeds your credit.

P1.5 Account Cancellation and Suspension. (a) The Bank may at any time close or suspend the Account, and may refuse to allow further charges to the Account. (b) Cancellation or suspension will not affect your obligation to pay any amounts you owe.

P1.6 Amendments; Electronic Delivery; Termination. (a) The Bank can amend any of the provisions and terms related to the Program at any time by written notice to you or by electronic notice via the email address that is then on file for the Company. You are consenting to electronic delivery of any amendments to the Program terms. (b) Each time you use the Program, you are signifying your acceptance of the terms and provisions then in effect. (c) An amendment becomes effective on the date stated in the notice and will apply to any outstanding balance on the Account.
