

## Simplify your shipping payments

### One statement. One payment. One view.

If you're like most shippers, you receive invoices from multiple carriers, each with different due dates and payment requirements.

Now there's a better way. With Pitney Bowes, you can pay for shipping when it's convenient to you—through one account—no matter how many carriers you use. Streamlined billing and money saving rewards are just a few of the no-cost benefits you'll enjoy.

We make it easier to manage shipping expenses without changing your shipping process. All-in-one statements and robust online reporting provide the big-picture view you need to control costs.

Best of all, Pitney Bowes handles everything and sets up your carriers, with no activation fees, no transaction fees and no contracts. All you have to say is **Yes**.

Manage shipping expenses on your terms.

### SHIP THE SAME WAY YOU SHIP TODAY—WITHOUT MULTIPLE BILLS AND HASSLES

**VIEW SHIPPING** on one statement. With a Purchase Power® account, you can pay for postage, FedEx, UPS, freight and local carriers with a single payment—in full or over time.\*

**STREAMLINE PROCESSES** and eliminate the time and expense associated with multiple payments to multiple vendors.

**CONTROL COSTS** and manage expenses with all-in-one online reporting that provides the big-picture view you need.

**EARN DOUBLE REWARDS** every time you ship, redeemable for postage, shipping, supplies or gift cards.

\*Finance charges may apply.

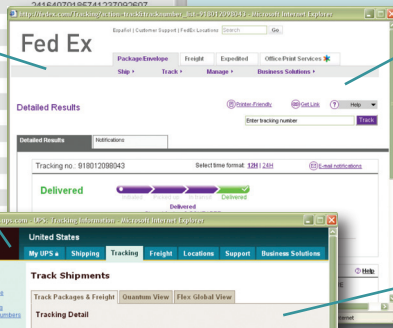

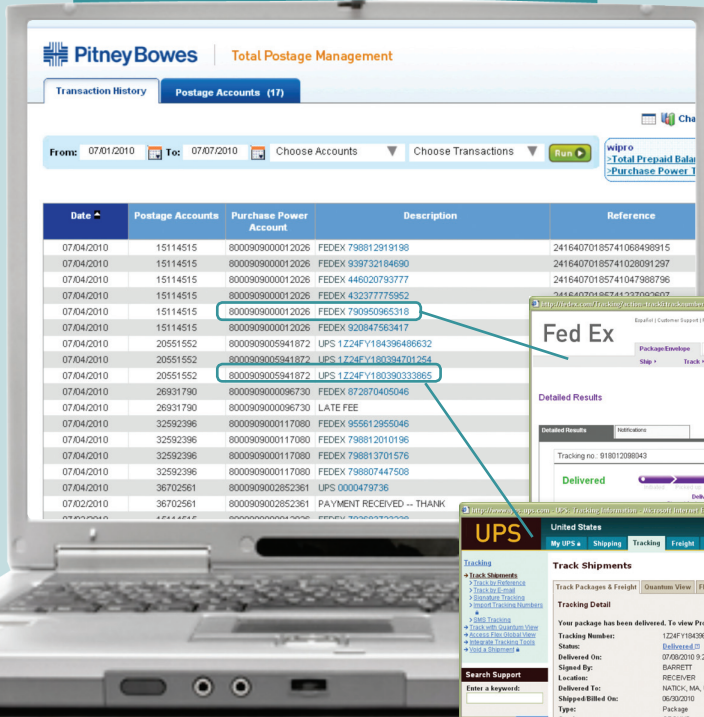

# Finally, a 360-degree view on one page

See the big picture with consolidated, company-wide reporting

- Itemize by date or carrier
- Tracking by department or cost center
- Download data into spreadsheets to simplify budget management

Gain a complete view when transactions from multiple carriers are consolidated into one. Now you can see and manage all shipping expenditures online from the same Web page. View, sort and download expenses...monitor balances and costs...and access real-time data 24/7. Track expenses, forecasts and budgets by department, carrier and cost center. Even create summary reports.

Your all-in-one Purchase Power® account details shipping, postage and mailing expenses on the same statement.
